Stories of the Wise, Witty, & Wonderful

## NOMINATION FORM

The McHenry Area Chamber is pleased to honor those seniors who live in McHenry County and have contributed significantly to the community through work accomplishments, volunteering, mentoring others, or building families. We will honor 10 of these local humanitarians and leaders at our luncheon on Friday, October 20, 2017.

**You can help.** Please nominate someone (60 years or older) who has impacted the greater McHenry area with his/her time and talents. Let us know why you think they deserve to be honored.

You can use the form provided; or, if you'd rather send an email to nominate someone, that's ok, too! Just give us the information you think we'll need to help us make our decision of whom to honor this year.
