

Planning has begun for this year's McHenry Downtown Uncorked Wine Walk! This year's event will be held on Saturday, September 14, 2019 from 1pm until 4 pm. This event has sold out 3 years in a row, so we plan on a sold-out crowd of 350 participants again this year!

The cost to participate as a wine walk stop this year is \$125 for Chamber members/\$325 for non-members. This includes:

- Liquor License
- Dept. of Health Permit
- Insurance for the event
- Advertising
- Listing in the Brochure
- Wine (1 red choice and 1 white choice at each location)
- Other miscellaneous supplies
- Assistance with coordinating appetizer sponsors
- 350+ customers through your door!

If desired, we will provide you with a committee member who will pour at your location so you can interact better with your potential customers. This will save you from having to hire additional staff for the day of the event. (You may decline this service if you wish to pour your own.)

In addition, you have the option of either providing your own food or having us coordinate an appetizer sponsor for your location. We request that you do not reach out to a restaurant to donate the food since we don't want to duplicate efforts since our committee will also be asking for food sponsors. All menu choices must be approved by the McHenry Area Chamber to ensure we do not have multiple locations with the same offering.

Yes, I would like to be a McHenry Downtown Uncorked Wine Walk stop.

I am interested in having a committee member as a wine pourer at my location.

I am interested in providing my own food at my location.

I will email my high resolution logo to molly@mchenrychamber.com.

On the day of the event, businesses need to provide:

- A dump bucket of some kind as not all will like the wine selection
- Ice and bucket for keeping the white wine chilled
- Corkscrew (just in case)
- A table for the wine display
- A table for the appetizers (If you have an appetizer sponsor at your location, you will need to provide space for them to promote their business.)
- Handwashing station (Access to a sink that is not inside a single bathroom will meet this requirement.)
